What can you say if you're offered drugs?

You know that drugs can cause terrible problems. Sometimes the hardest part is saying **"NO"** to someone who offers you drugs. It takes courage, but you can do it! Actually, most teens have made the decision not to use drugs. If you're put on the spot, you can feel like you have no clue what to say. If you plan ahead, it'll be lots easier to stay strong. **Ways to say "NO" to drugs:** Check out these possible replies to offers of drugs.

- ***Everybody's doing drugs.***

[Reply:] I think plenty of people aren't doing drugs. Anyway, it's not right for me.

- ***Pot will make you feel good.***

[Reply:] I already feel pretty good. And I don't want to mess that up.

- ***If you're my friend, you'll get high with me.***

[Reply:] I really like you. I just don't like drugs.

- ***Nobody will know.***

[Reply:] I'm not taking any chances. I'd be grounded for life if I got caught.

- ***This is really cool stuff.***

[Reply:] I know someone who got really sick from that. That's not cool at all.
